Giving you and your customer peace of mind and protection against any failure to perform against specifications, just register the product to get a free upgrade from 1 year to 3 years' warranty cover!

Register here for your Warranty Extension

<https://honeywell-promotions.com/Public/en/PC42t/Registration/WTY-PC42T-2016>

Registration can be completed by the Reseller or the End Customer.

Registration must be within 60 days of the Reseller purchase date.

Registration requires acceptance of Honeywell's Privacy Policy (<http://honeywell.com/privacy/pages/en.aspx>)

This warranty upgrade provides cover for manufacturing defects only when in normal use, and is for the defined period of time from the date of purchase by the first end-user.

Easy to install and ready to print quickly, the PC42t and PC43 desktop label printer is an economical choice, backed up by a 3 year warranty.

Uniquely designed to support a wide range of media--including large ribbons--the PC42t can print longer before needing media replenishment, eliminating downtime.

Supports a wide range of media, including 12.7 mm (0.5 in) or 25.4 mm (1 in) ribbon cores (depending on the model).

Industry-standard connectivity includes USB host and device, and options for Ethernet, parallel, and serial communications.

Designed for user-friendliness and flexibility, compact PC series desktop printers provide an intuitive label printing solution.

Available in four-inch wide direct thermal (PC43d), or four-inch wide thermal transfer (PC43t) models, PC series printers are perfect for space-constrained settings.

Their low cost and fast operation make them the smart choice for light duty labeling applications where users need reliable, easy-to-use printers.

Honeywell PC42t&PC43 Desktop Printer - Free Extended Warranty Offer – Europe January 1st – December 31st, 2017

6. Standard lead times apply.
7. The decisions of Honeywell in respect of any and all aspects of the promotion will be final and binding.
8. Honeywell reserves the right to amend or cancel the terms of this offer at any time without prior notice.
9. Promoter: Honeywell Scanning & Mobility, Nijverheidsweg 9-13, 5627 BT Eindhoven, The Netherlands.

Honeywell PC42t&PC43 Desktop Printer - Free Extended Warranty Offer – Europe

January 1st – December 31st, 2017

Honeywell Limited Warranty

Honeywell International Inc. ("HII") warrants its products to be free from defects in materials and workmanship and to conform to HII's published specifications applicable to the products purchased at the time of shipment.

This warranty does not cover any HII product which is:

- (i) improperly installed or used
- (ii) damaged by accident or negligence, including failure to follow the proper maintenance, service, and cleaning schedule; or
- (iii) damaged as a result of
 - (A) modification or alteration by the purchaser or other party
 - (B) excessive voltage or current supplied to or drawn from the interface connections
 - (C) static electricity or electro-static discharge
 - (D) operation under conditions beyond the specified operating parameters
 - (E) repair or service of the product by anyone other than HII or its authorized representatives.

This warranty shall extend from the time of shipment for the duration published by HII for the product at the time of purchase ("Warranty Period"). Any defective product must be returned (at purchaser's expense) during the Warranty Period to HII factory or authorized service center for inspection.

No product will be accepted by HII without a Return Materials Authorization, which may be obtained by contacting HII. In the event that the product is returned to HII or its authorized service center within the Warranty Period and HII determines to its satisfaction that the product is defective due to defects in materials or workmanship, HII, at its sole option, will either repair or replace the product without charge, except for return shipping to HII.

Except as may be otherwise provided by applicable law, the foregoing warranty is in lieu of all other covenants or warranties, either expressed or implied, oral or written, including, without limitation, any implied warranties of merchantability or fitness for a particular purpose, or non-infringement.

HII's responsibility and purchaser's exclusive remedy under this warranty is limited to the repair or replacement of the defective product with new or refurbished parts. In no event shall HII be liable for indirect, incidental, or consequential damages, and, in no event, shall any liability of HII arising in connection with any product sold hereunder (whether such liability arises from a claim based on Contract, warranty, tort, or otherwise) exceed the actual amount paid to HII for the product.

These limitations on liability shall remain in full force and effect even when HII may have been advised of the possibility of such injuries, losses, or damages. Some states, provinces, or countries do not allow the exclusion or limitations of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

All provisions of this Limited Warranty are separate and severable, which means that if any provision is held invalid and unenforceable, such determination shall not affect the validity of enforceability of the other provisions hereof. Use of any peripherals not provided by the manufacturer may result in damage not covered by this warranty. This includes but is not limited to: cables, power supplies, cradles, and docking stations. HII extends these warranties only to the first end-users of the products. These warranties are non-transferable.

Honeywell PC42t&PC43 Desktop Printer - Free Extended Warranty Offer – Europe

Honeywell Limited Warranty – Additional Information

Who is covered by the warranty?

Products offered by Honeywell Scanning & Mobility are covered for a defined period of time with a Limited Warranty (see the product's user documentation for more detailed information for each product). Honeywell extends this warranty only to the first end-user of the product. This warranty is non-transferable.

What is covered by the warranty?

This warranty covers each product and warrants them to be free from defects in workmanship, under normal use and service, for the defined period of time from the date of purchase by the first end-user. Under this warranty, Honeywell will repair or replace, at its option, any unit that fails to perform according to Honeywell' published specifications during the warranty period.

Products offered by Honeywell Scanning & Mobility are covered for a defined period of time with a Limited Warranty (see the product's user documentation for more detailed information for each product). Honeywell extends this warranty only to the first end-user of the product. This warranty is non-transferable. This warranty covers each product and warrants them to be free from defects in workmanship, under normal use and service, for the defined period of time from the date of purchase by the first end-user. Under this warranty, Honeywell will repair or replace, at its option, any unit that fails to perform according to Honeywell' published specifications during the warranty period.

What is not covered by the warranty?

The warranty does not cover software or damage to the product caused by modification, alteration, misapplication, misuse of, or physical abuse to the product; or damage due to repair or service to the product by anyone other than an Authorized Honeywell Scanning & Mobility Service Center. This warranty also excludes any damage to the product caused by circumstances outside of Honeywell' control, such as, but not limited to, lightning or fluctuation in electrical power.

Acquiring warranty service

Should the product prove to be defective within the warranty period, return the product, as described in the RMA procedures that follow, and Honeywell will, at its option, repair or replace the product, to whatever extent Honeywell deems necessary to restore the product to proper operating condition, without any charge to you. If you purchased the product from an Authorized Honeywell Reseller, contact the Reseller with the unit's serial number. Your Reseller will contact Honeywell, on your behalf, to arrange for the unit to be serviced. If you purchased the product directly from Honeywell, or have been instructed by your Reseller to contact Honeywell Scanning & Mobility directly, call the Customer Service Department in your area to request a Repair Maintenance Authorization (RMA) number. Failure to obtain an RMA number before shipping your product to the repair facility will delay the processing of your repair.

When calling for service at any of our repair facilities, please have the following information ready:

- Customer ID
- Product type
- Brief description of problem
- Serial Number and/or Date Code and/or dated Proof-of-Purchase.
- Serial numbers and/or date codes are found in various places on our products. Please have your unit in hand when you call, and a representative will help you find the number or date code.)
- If your equipment is still covered under the initial end user's product warranty, please notify the Customer Service Representative when you call.

For your protection, we recommend you insure any equipment being sent to Honeywell. Place the product in its original packaging with a copy of your original invoice to avoid possible service delays and ship the product prepaid to the appropriate address. Please ensure that the RMA number is clearly visible on the address label.
